The above represents ONLY a **ROUGH GUIDE** for schedule of events, **ESPECIALLY REGARDING ABOVE SHOWN TIMES** for events. Coach departure times from the hotel ARE correct unless otherwise advised. Our personal M.A.R.S. Escort, Rita Eisenberg, will inform us of the "hard" times that we will need to observe and meet in order not to upset our Motorcoach schedule. Adjustments of times, possible shifting of events, or even substitutions may need to be made, even on a daily basis, in order to accomplish the overall mission of this comprehensive reunion tour. The Committee respectfully asks for your understanding and cooperation should such modifications become necessary.
